Paragon’s Clinical Excellence Series has featured some of the nation’s best dental clinicians including David Hornbrook, Bill Dorfman, Maurice Salama, Gerard Chiche, John Cranham and others to lecture on leading edge clinical techniques. Since 2010, Paragon Management has partnered with the faculty of The Dawson Academy to provide what we believe represents some of the best continuing education available in the United States. Paragon’s Clinical Excellence Series spotlights the finest faculty the Academy has to offer. We are excited to have one of their top senior faculty members Dr. DeWitt Wilkerson present this year.
